About this collection

Our free Christmas coloring pages bring the coziest weeks of the year to paper: Santa with his sack of gifts, a snowman in a woolly scarf, reindeer with jingle bells, busy elves and a tree waiting to be decorated in every color you own. Each drawing is original art with bold outlines and big open areas, easy for small hands and relaxing for grown-ups too. Download any page instantly as a crisp vector PDF for Letter or A4 paper, free, with no sign-up and no watermarks, or color it online right in your browser. They are perfect for December classrooms, advent afternoons and quiet moments while the cookies bake. Print a stack, grab the red and green crayons, and let the countdown begin.

Where can you find free printable Christmas coloring pages?

Right here. This page has 60 free Christmas coloring pages: Santa, a decorated tree, a snowman, reindeer, elves and more. Every design downloads as a crisp vector PDF sized for US Letter and A4, with no sign-up and no watermarks, and each one can also be colored online in your browser.

Tips for coloring Christmas pages

Red, green, gold and white is the classic palette, and it always works. A trick that makes pages glow: color the sky a deep night blue and leave the snow and the stars white, so everything bright pops out. Metallic pens look wonderful on ornaments, bells and gift ribbons. If you use markers, print on slightly heavier paper so nothing bleeds through; crayons and pencils are happy on regular printer paper. There are more paper and printing tips in our how-to-print guide.

From coloring page to Christmas decoration

Finished pages make lovely free decorations. Cut out the colored ornaments and hang them on the tree with string, tape snowmen and reindeer to windows, or fold a colored page in half and it becomes a homemade Christmas card for a grandparent. Teachers print full sets for December classroom crafts, which is welcome and free, like everything here; the details are in our licensing policy. The cookie who ran away has a set of his own now: our gingerbread man coloring pages follow him from the oven to the fox at the river, with a gingerbread girl and a whole cookie family. If the tree is your favorite part, our Christmas tree coloring pages add decorating scenes, ornaments up close and a bare tree to decorate yourself. If your family loves seasonal pages, our other holiday coloring pages are drawn in the same friendly style.

How to print

Every page is sized for US Letter and prints on A4 without cropping if you set your printer to "fit to page". Print single-sided so colors do not show through, and use cardstock if you plan to use markers. There are no watermarks and no sign-up, on any page.

Terms of use

Free for personal, classroom and library use. Print as many copies as you need. Please do not re-sell these pages or re-host the file: link to the collection page instead, so the book stays up to date.
