About this collection

Our free pumpkin coloring pages celebrate the best of the fall harvest: a big smiling pumpkin in its patch, a friendly carved jack-o-lantern on the porch, a slice of pumpkin pie with a swirl of cream, a farm truck full of pumpkins and even a cozy pumpkin house with a squirrel at the door. Each drawing is original art with bold outlines and big open areas, easy for small hands and genuinely fun for older kids who want a page worth shading. Download any page instantly as a crisp vector PDF for Letter or A4 paper, free, with no sign-up and no watermarks, or color it online right in your browser. There are extra-simple pages for toddlers and one intricate patterned pumpkin for patient colorists. Print a few, grab every orange you own, and happy harvest.

Where can you find free printable pumpkin coloring pages?

Right here. This page has 30 free pumpkin coloring pages: a smiling pumpkin patch, a carved jack-o-lantern, a slice of pumpkin pie, a cozy pumpkin house and more. Every design downloads as a crisp vector PDF sized for US Letter and A4, with no sign-up and no watermarks, and each one can also be colored online in your browser.

Tips for coloring pumpkins

Orange is only the beginning. Real pumpkins also come in cream, deep green, yellow and even blue-gray, so feel free to mix a whole harvest of colors on one page. Follow the ribs: coloring each vertical section a slightly different shade of orange instantly makes a pumpkin look round. Give the jack-o-lantern a warm yellow glow inside its face, and save your brightest red and gold for the autumn leaves. If you use markers, print on slightly heavier paper so nothing bleeds through; crayons and pencils are happy on regular printer paper. More paper and printing advice lives in our how-to-print guide.

Pages for every age of pumpkin fan

Little kids can start with the two extra-thick-lined easy pumpkins, while the intricate patterned pumpkin at the end of the gallery can keep a ten-year-old, or a grown-up with a cup of tea, busy for a whole evening. Teachers and parents can print as many copies as they like for class or home; the details are in our licensing policy. When the pumpkins get spooky, our Halloween coloring pages carry the fun into October nights, the rest of the season lives in our fall coloring pages, and every celebration on the site gathers in our holiday coloring pages.

How to print

Every page is sized for US Letter and prints on A4 without cropping if you set your printer to "fit to page". Print single-sided so colors do not show through, and use cardstock if you plan to use markers. There are no watermarks and no sign-up, on any page.

Terms of use

Free for personal, classroom and library use. Print as many copies as you need. Please do not re-sell these pages or re-host the file: link to the collection page instead, so the book stays up to date.
